Nissan Forklift

Nissan Forklift Training Saskatchewan - Nissan takes immense delight in reaching overall customer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with solid manufacturing principals, Nissan lift trucks provide many of the best materials handling equipment the industry has to offer.

In order to meet the worldwide desires of their assorted purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering customer support, the company has four separate production facilities that permit them to continually adapt to their clients continually evolving needs by offering a variety of progressive ideas and concepts.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, fabrication, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to sustain environmental accountability by using techniques and procedures that limit their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their customers insist upon whilst being an environmentally aware company.

Nissan is certain that they will be capable of addressing any consumer questions or considerations. Always accessible through their website or by calling 800.871.LIFT, reaching one of their locally endorsed sellers or even visiting their Midwestern facility, Nissan Forklift Corporation is sure you will be impressed with their hospitality and commitment.
